EXECUTIVE EXCHANGE: NAVIGATING DISRUPTION WITH AI, AUTOMATION, AND THE MODERN SUPPLY CHAIN

 **September 16, 2025**

5:30 PM-9:00 PM

Eastern Time

Join us for an exclusive executive roundtable focused on how industrial and automotive manufacturers are leveraging AI-driven solutions—such as CPQ and WMS—to respond to ongoing supply chain disruptions, labor challenges, and rising customer expectations. This intimate discussion will explore how leaders across the sector are using intelligent automation and data-driven tools to modernize operations, accelerate responsiveness, and build more agile, resilient supply chains for the future.
