## ARCHITECTING THE FUTURE OF COMMERCE DATA

**March 13, 2025**

5:30 PM-9:00 PM

Eastern Time

In today's fast-changing commerce landscape, data is the key to unlocking growth and staying competitive. Whether you're a traditional retailer, a digital-first brand, or a platform shaping the future of buying and selling, leveraging data effectively is essential. Join us for an exclusive dinner series to explore how businesses across the commerce spectrum can overcome data challenges and drive transformative results.

## TOGETHER WITH
