NAVIGATING THE GENERATIVE AI LANDSCAPE

January 30, 2025

6:00 PM-9:30 PM

Central European Time

Let's explore the transformative potential of Generative AI! We'll delve into real-world examples of AI innovations, strategies for C-level executives to integrate AI successfully, and best practices for enhancing customer experiences and driving business growth. During this dinner, we will also cover the most anticipated advancements in Generative AI over the next 12-24 months and their potential impact on businesses.
